

Learning Management System

A photograph of a silver calculator, a green pen, and a brown notebook with a green cover, all resting on a dark wood-grain surface. The calculator is positioned diagonally, with the pen lying across it. The notebook is partially visible underneath the calculator.

Dr Mohamed Refaat

What is LMS

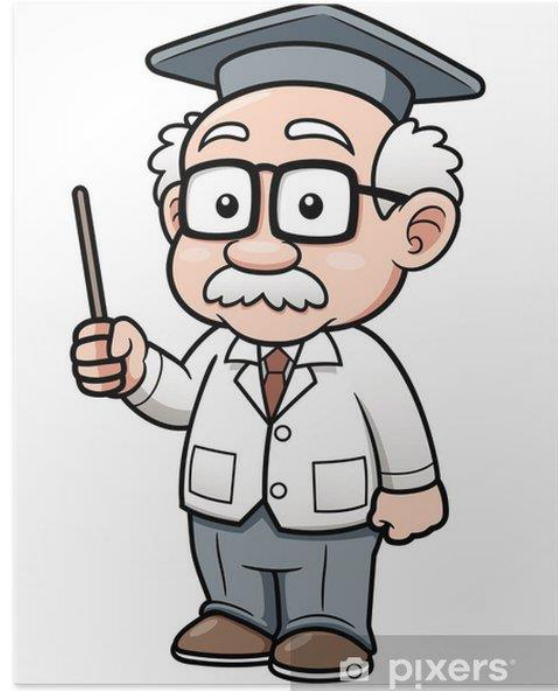

A Learning Management System (LMS) is a set of software tools designed to manage user learning interventions including online, virtual classroom, and instructor-led courses.

Connection between students & Professor should be by.....

facebook

Commercial systems

Blackboard

WebCT
